Re: Wisconsin Public Service Corporation' Annual Notification of Redefinition of Operating Systems and Pooling Areas

Dear Ms. Coker:

Pursuant to the Compliance Filing of Final Form Tariff Sheets in Docket No. 5-TG-100 (PSC REF#: 391672), original Tariff Sheet G3.09 in attachment WPSC Tariff Changes Docket 5-TG-100 Final (file page 12) Wisconsin Public Service Corporation (WPSC) is hereby providing notice of the following redefinition of its Operating Systems and Pooling Areas effective November 1, 2022:

- Operating system 159, Rhinelander will be combined with and into Operating system 157, Pestigo with Operating System 157 continuing and operating system 159 being discontinued. Both Operating Systems are in Pooling Area 301. Accordingly, there is no change to Pooling Area 301.

A copy of this letter of notification will be available on WPSC's website until next November.

Please contact William Korducki at (414) 221-3953 or bill.korducki@wecenergygroup.com if you have any questions.

Sincerely,

/S/ Richard F Stasik
