<p>5. <u>MINIMUM CHARGE:</u> The monthly minimum charge is the Local Distribution Service Fixed Charge.</p> <p>6. <u>SEASONAL BILLING:</u> Service may remain connected during the off-season, and incidental use during such period may be included with the first billing of the following season, however, the Company may issue bills for gas and electric service to seasonal gas and/or electric customers during the off-season period if the customer's gas or electric usage since the last issued bill exceeds 500 kWh of electric energy, or 100 Therms of gas.</p> <p>7. <u>SURCHARGE FOR UNAUTHORIZED USE OF GAS:</u> A. The penalty rates described in Sections 7.A.1. and 7.A.2. below will be assessed against customers regardless of whether the Company is actually assessed penalties from the interstate pipeline(s) serving the Company's system.</p> <p>1. Customers shall be required to pay a minimum penalty rate of \$2.50 per Therm, plus any Incremental Costs, for all unauthorized use of gas.</p> <p>2. When the Company is exposed to penalties greater than \$2.50 per Therm from any interstate pipeline(s) serving the Company's system, the penalty rate will increase to \$10.00 per Therm, plus any Incremental Cost greater than \$10.00 per Therm, for all unauthorized use of natural gas.</p> <p>8. <u>DEMAND SERVICE CHARGE WAIVER:</u> A. The Company may, in the Company's sole discretion, issue a gas Demand Service Charge Waiver to the customer for up to ten Gas Days during any November through October period, subject to each of the conditions listed below. The Customer's gas demand during time periods included in a gas Demand Service Charge Waiver will not be considered when billing for gas Demand Service.</p> <p>1. The customer requests the gas Demand Service Charge Waiver in writing or by electronic means, and the Company receives this request by 9:00 AM at least two business days prior to the affected Gas Day(s). The Company may waive the notice period in its sole discretion, however, in all cases the request must be received prior to the start of the affected Gas Day(s). The Company will grant or deny, in writing or by electronic means, any requested waiver prior to the start of the affected Gas Day(s). The Company will deny all requests for waiver, received after the start of the affected Gas Day(s).</p> <p>2. The waiver request is due to infrequent, unusual and short duration customer loads, such as the testing and/or maintenance of equipment, or short-term production requirements, etc.</p>

<p>3. The Company expects no adverse impacts to other customers.</p> <p>4. The Company will report to the Commission all granted waivers by the end of the calendar month following the affected Gas Day(s).</p> <p>5. The customer shall be subject to any constraints, curtailments or other limitations of service, as well as any associated penalties, charges or surcharges, during periods covered by Demand Service Charge Waivers.</p>	
9. <u>SPECIAL RULES:</u>	
<p>A. Gas Service under this rate schedule is subject to all applicable rules and regulations of the Commission.</p> <p>B. The Company will deliver gas of the quality received from the interstate pipeline(s) serving the Company's system, or such supplemental gas as may be produced by the Company.</p> <p>C. Measurement of gas delivered will be through the Company's meter at the customer's delivery point, and shall be adjusted to the Company's standard conditions.</p> <p>D. The number of Therms billed under this rate in any billing period shall be based on the volume of gas used by the customer during that period and the average heat content, as determined by the Company, of the gas received from the interstate pipeline(s) serving the Company's system during the thirty days preceding the meter reading date.</p> <p>E. Gas supplied under this rate shall not be used as standby for interruptible gas service, nor shall it be used in lieu of such interruptible service.</p> <p>F. Gas supplied hereunder shall not be resold.</p>

- G. Gas service under this rate schedule shall be subject to limitation, curtailment or suspension of service. Service under this schedule may be limited, curtailed, or suspended by the Company in the event of any emergency or Force Majeure on the interstate pipeline(s) serving the Company's system, in the Company's sole discretion; or in the event of any emergency or Force Majeure on the Company's system, in the Company's sole discretion. The Company will give the customer as much advance notice of any limitation, curtailment or suspension of service as is feasible. The customer shall limit, curtail, or suspend the use of gas by and during the time specified by the Company. Any customer failing to limit, curtail, or suspend gas usage will be subject to having their gas service physically valved-off. Also, all usage greater than the amount specified by the Company during a period of limitation, and all usage occurring after the time specified by the Company in a notice of curtailment or suspension of service, is considered unauthorized usage and is subject to the Surcharge for Unauthorized Use of Gas.
- H. The purchase of gas under any other rate schedule to replace that amount of gas limited, curtailed or suspended is not permitted. Upon notice from the Company that normal service has been restored, the customer may immediately resume the use of gas.
- I. Authorized agents of the Company shall, at all reasonable times, have the right to inspect the customer's premises to observe compliance with the Company's rules and orders under this rate schedule.
- J. Customers taking service under this rate schedule are also subject to the following rate schedules: Definitions, Municipalities Served, Service Data, Customer Attachment, Enlargement & Curtailment Procedure, Purchased Gas Adjustment Clause, Service Rules, and Extension Rules.
- K. To prevent frequent switching of customer classes due to extremes in annual weather conditions and other reasons, the Company can require customers to exceed the customer class annual usage bands by $\pm 10\%$ before switching them to a different customer class. Annual usage each year is defined as the customer's actual usage during the January through December business months.
- L. Existing customers wishing to switch existing load to or from this rate schedule are required to provide a written notice to the Company by March 1 of each year. The Company will approve requested changes to switch load to or from this rate schedule that comply with the above notice requirement provided the customer's requested switch date is on or after the subsequent November 1.

R	<p>M. The notice requirement from Section 9.L. above may be waived by the Company, in the Company's sole discretion, if the Company has adequate gas supply and interstate pipeline capacity to serve the customer, and the Company anticipates no significant detriment to existing system sales customers. If the Company waives the notice requirement, the Company may require the customer to pay an exit fee to recover the costs related to a switch to or from service under this rate schedule. This exit fee may include, but is not limited to, any above market gas commodity costs, any interstate pipeline transportation and/or storage costs, and any other demand costs.</p>
R	<p>N. Gas sales under this rate schedule by the WPSC gas utility to the WPSC electric utility for purposes other than electrical generation, and all Company Use gas, shall be billed at the Cg-FS rate, and shall include any fixed or demand charges.</p>
<p>N N N N</p>	<p>O. The Company will install remote metering devices to monitor gas consumption for service under Customer Class Cg-FL. The customer shall provide, at the Company's request, an uninterrupted supply of 120V AC electricity at the gas metering site for these devices.</p>
