R 40'/35' mounting height	\$22.49 / pole																		
*The additional wood pole charges shall apply to fixtures that cannot be attached to an existing company pole. Street lights installed for governmental authorities under the Ms-1 rate schedule prior to January 1, 2011, are exempt from the exclusive use wood pole charges.																			
<u>ORNAMENTAL FACILITIES</u>																			
The Company offers specific Company-owned ornamental lighting facilities that are available to all customers under a special contract.																			
The customer is obligated to make a special facilities payment upon installation of the facilities equal to:																			
<ul style="list-style-type: none"> a. the "cost difference" between the cost of the ornamental facilities and cost of the standard lighting facilities, and b. a payment in advance for maintenance equal to 24% of the "cost difference" payment above for ornamental facilities. 																			
If for any reason a lighting system must be replaced or renovated after the end of the contract, the customer shall be responsible for all associated charges. Replacement or renovation of lighting units and their major components after the contract period is at the discretion of the Company and may require a new lighting contract/agreement between the Company and the customer.																			
If at any time a customer requests a replacement or maintenance by the Company of an ornamental lighting facility for aesthetic reasons, the customer will be required to pay time and materials for the work. If the item in question falls under the manufacturer's warranty the Company will work with the customer and the manufacturer to receive the replacement item. The Company will however charge for labor and any other materials needed for replacement. The Company reserves the right to determine if replacement or maintenance will be done.

Outdoor Overhead Lighting Service - Company-Owned

Continued from Sheet No. E4.43

TERMS AND PROVISIONS

Company Owned-Standard or Ornamental Overhead Lighting Systems within the terms of the applicable contract.

1) SERVICE RULES

- a) Standard lighting facilities shall be defined as a cobrahead, power bracket or flood lighting fixture complete with lamp, control device and 6-foot galvanized mast arm.
- b) The Company shall own, operate, and maintain the entire lighting system, including circuits and lighting fixtures.
- c) The Company will be responsible for all future group replacement of lighting systems. The decision to replace lighting equipment will be at the sole discretion of the Company and will take into consideration good utility operating practice and the desires of the customer.
- d) Upon request and at the expense of the customer, the Company will relocate any fixture or change the position of any lamp.
- d) If the customer terminates service or requests the removal of any Company-owned lighting facilities during the contract period, the customer shall be responsible for the lesser of the cost of removal or the remaining monthly charges.
- e) Additional Service rules listed on Sheet E4.46 and E4.47.
- f) LED Lighting - The decision to replace existing sodium vapor or metal halide lamps with LED lighting equipment will be at the sole discretion of the Company and will take into consideration good utility operating practice and the desires of the customer.

R

2) EXTENSION OF SERVICE

Lighting facilities will be extended upon request by the proper authorities, subject to the provisions of the Company's electric extension rules.

<u>TERMS AND PROVISIONS</u>					
Customer Owned Lighting Systems					
1) <u>SERVICE RULES</u>					
a) The customer shall own the system, including switching equipment and the connecting cable to the Company's system.					
b) Systems must be of a design and in a condition satisfactory to the Company.					
c) Replacement of customer owned equipment, otherwise called out in the maintenance section, shall be at the expense of the customer.					
d) The system may be served by either multiple or series type circuits as agreed upon between the customer and the Company.					
e) The customer must make the Company aware of any changes the customer makes to poles and fixtures after initial installation. This includes but is not limited to changes in location and wattage.					
f) Additional Service rules listed on Sheet E4.46 and E4.47.					
2) <u>EXTENSION OF SERVICE</u>					
Additional lights will be served at any location designated under the same rates, terms, and conditions, provided the additional units are not more expensive for the Company to operate and maintain.					
3) <u>MAINTENANCE</u>					
a) The following items are considered normal maintenance of customer owned ornamental lighting and will be replaced or maintained at Company expense within the contract:

- i.) Underground and/or overhead cables: All breaks or open circuits except those caused by accidents, improper installation, foreign digging operations or deterioration due to aging and/or absorption of moisture. Deterioration due to aging is to be determined by the Company.
 - ii.) Ballasts, luminaires, photo electric controls, lamps, refractors and relays that the company normally stocks for standard systems. The customer shall be responsible for any repairs (including parts and labor) of equipment after the expiration of the contract.
 - iii.) The acquisition of repair and maintenance items and the cost of items which the Company does not consider standard facilities shall be the responsibility of the customer. The labor to replace this failed equipment is included in the monthly rates.
- b) All other maintenance, replacement or repair costs other than those listed shall be the responsibility of the customer.
 - c) On customer owned lighting, damage claims shall be billed to the customer. It is the customer's responsibility to collect from the party who was responsible for the damage.

TERMS AND PROVISIONS - Common

Customer-Owned and Company-Owned
Standard or Ornamental Overhead Lighting Systems

1. PAYMENT OF BILLS

Payment for service shall be made monthly shall be due and payable no later than the due date shown on each bill.

2. SERVICE RULES

- a. All lights will be turned on at approximately fifteen minutes after sunset and off at approximately thirty minutes before sunrise.
- b. The Company will replace burned out lamps and otherwise maintain the equipment within 72 hours after being notified by the customer, provided such service can be performed during regular daytime working hours. No credit will be allowed for periods during which lamps are out of service.

Outdoor Overhead Lighting Service - Common Service

Continued from Sheet No. E4.46

c. Individual streetlight locations with vandalism records will be reported to the local authorities and the customer informed that they will be required to pay for labor costs of replacements due to future vandalism at that location. Or

Individual locations with vandalism records will be reported to the customer, and the customer is given the option of:

- 1) Continuing service with the provision that future replacements due to continued vandalism at that location will be at the customer's expense,
- 2) Continuing service but at a different location, or,
- 3) Discontinuing service at that location.

d. For times a customer requests the Company to remove, relocate or change lamps, the customer and Company may mutually agree in writing to a schedule reflecting the requested changes in the customer billing. The Company will have the sole discretion in determining when the actual necessary field work is completed which will not impact the customer's billing.

3. TERM OF CONTRACT

Contracts will be effective for a period of three years subject to automatic renewal periods of one year each. The contract may be terminated at the end of any yearly period upon 90 days written notice by either party.

4. SHORT TERM SERVICE HOLIDAY/DECORATIVE LIGHTING

Subject to Company approval, the Company will allow municipal customers to make temporary attachments of holiday lighting and/or decorations on Company-owned or customer-owned light poles. The customers must execute an annual agreement for such attachments, and must meet all conditions thereof. Estimated energy consumptions will be billed under the current Cg-1 energy rate. Time and material charges for installation, removal or associated maintenance may also apply.
