<u>Terms & Conditions</u>	
	1. In addition to the rate above, all rates and conditions of delivery of the respective rate schedule under which the customer is currently served are applicable.
	2. Customers may sign up for this voluntary program via written form, web site/internet, over the phone, or other means acceptable to the Company.
R R	3. No contract is required for customers purchasing less than twenty 100 kWh blocks and customers can terminate via the same communication methods used for sign-up.
R	4. Company retains the right to require contracts with up to one-year terms for customers purchasing twenty or more 100 KWh Renewable Energy Blocks per month or for customers making one-time purchases.
R R	5. In the event the customer uses less energy in a month than the amount purchased under the Naturewise program, the customer is still responsible for payment for the blocks of renewable energy purchased.
	6. Company retains the right to deny service to or terminate service under this tariff to customers in arrears with the Company.
	7. Service under this tariff will normally commence upon the customers meter reading date. Fractional and partial months shall be prorated in the same manner as Customer Charges.
R	8. Service under this tariff provides for the generation or purchase of renewable generation and not actual delivery to customers taking service under this tariff. The reconciliation of Renewable Generation supply and the total amount of KWh purchased by customers under this tariff shall be done on an annual basis.
R R	9. Renewable Generation supply can be obtained by the purchase and/or the use of renewable energy credits.
N N N N N	10. Renewable energy sold under this tariff 1) shall not be included in the retail sales used to calculate renewable energy requirements under Wisconsin's Renewable Portfolio Standard (RPS) and 2) shall not be included in the renewable energy supply used to calculate RPS compliance requirements.
