Electric and natural gas construction property site sketch and liability waiver
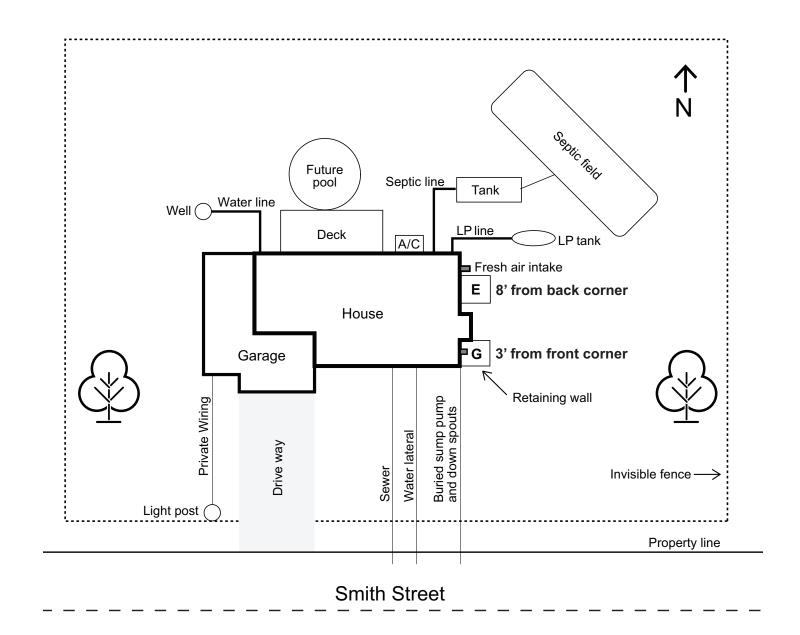

Customer name: _____   Contact number: _____

Service address: _____   City, State: _____

Location of customer-owned facilities: The following information is required on your sketch. If items are missing, we will return sketch for revisions before your job can proceed. See next page for site sketch example.

1. **Desired meter location - electric and/or natural gas**. Indicate with **"E"** and **"G"** with footages from nearest corner of building.*
   Natural gas meter location needs to be a minimum of 3' from the electric meter. See examples of clearance requirements on following pages.
2. **Water** – Show current and proposed municipal water lines or private well. Include connecting pipes to the building.
3. **Sewer** – Show current and proposed municipal sewer lines or private septic system. Include connecting pipes to the building.
4. **Propane (LP)** – Show current and proposed tanks and connecting fuel lines.
5. **Other above-ground and underground facilities** – Show current and proposed facilities including:

   ☐ Private underground wiring   ☐ Sprinkler systems   ☐ Drain tile/down spouts/sump pump lines
   ☐ Private cable/satellite systems   ☐ Air conditioning units   ☐ Geothermal heat pumps and lines
   ☐ Invisible fences   ☐ Fresh air intakes   ☐ External wood furnace and lines
   ☐ Private outdoor lighting   ☐ Retaining walls   ☐ Decks, patios, swimming pools, outbuildings

At construction time, all existing or proposed private underground facilities must be marked or exposed before service can be installed.

PROPERTY SITE SKETCH

☐ Check here if no existing or future private facilities on the property/site.

_____feet from property line to front of house. _____feet from property line to side of house with meter(s)

Construction authorization/underground damage liability waiver:

I certify that I own or am the authorized representative of the owner of the property of the service address indicated on this property site sketch, and that I have read and understood the above statement regarding markings and/or exposing all private underground facilities. I furthermore agree to hold Wisconsin Public Service and/or its agents harmless for any damage to private underground facilities that occurs during the installation of natural gas and electric service as a result of failure on my part to ensure that the private underground facilities on this property have been adequately marked and/or exposed.
