

<b>Whole House EV Program - Residential</b>	<b>Electric</b>
<p><u>AVAILABILITY</u>                      Available to residential customers taking service under rate schedules Rg-RR, Rg3-OTOU and Rg5-OTOU to provide electric vehicle charging equipment to service electric vehicle loads including battery charging and accessory usage. Electric vehicle charging that occurs under this service will be charged with the customer's home energy usage which will both be billed under the same rate schedule. Customers taking service under rate schedule Rg-1 are not eligible for service under this tariff. This program is an experimental pilot program. This experimental pilot program has a maximum subscription limit of 2,500 customers, when combined with the customers participating in tariff COEV-R.</p> <p>The Bundled Service includes Company installed and provided charging equipment. A Pre-Paid Service option is available to customers electing to pay the Company for the installed cost of charging equipment prior to beginning service. Customers electing the Pre-Paid Service option are separately invoiced at the time of installation. The customer must complete Company-approved documentation verifying possession, through ownership or lease, of an electric vehicle.</p> <p>Any customer choosing to be served on this rate schedule waives all rights to any billing adjustments arising from a claim that the bill for the customer's service would be cheaper on any alternative rate schedule for any period of time, including any rights under Wis. Adm. Code section PSC 113.0406(4).</p> <p><u>SERVICE AGREEMENT</u>                      Customers must contract for this service through an Electric Vehicle Service Customer Service Agreement with the Company. The contract period will be as long as the customer wishes to use the equipment. Customers choosing the Bundled Service option and who have taken service for less than ten (10) years will be subject to a \$200 removal fee if they terminate the agreement. Customers choosing the Bundled Service option and who have taken service for ten (10) years or more will not be subject to a removal fee.</p> <p><u>CHARACTER OF SERVICE</u>                      Single-phase 60-Hertz service at approximately 120 or 120/240 volts will be provided hereunder. Three-phase service or other service upgrade requests will be provided in accordance with Company service regulations.</p> <p><u>RATE</u></p> <p>R Fixed Service and Administration Charge, per Month                      Bundled Service \$20.00                      OR                      R Pre-Paid Service \$8.00</p> <p><u>MONTHLY MINIMUM CHARGE</u>                      R The Customer Service and Administration charge</p> <p><u>Pre-Paid Service Option</u>                      The Pre-Paid Service option Customer Service and Administration Charge applies in place of the Bundled Service option Customer Service and Administration Charge to customers that have paid the Company the installed cost of the charging equipment prior to beginning service.</p> <p>Continued to Sheet No. E13.05</p>
