By execution hereof, customer advises that it has appointed the Marketer as indicated above as its exclusive agent for the purposes of nominations, constraint notification and other pool functions. The customer shall be subject to and bound by any and all statements, acts, or omissions made by the Marketer as they pertain to services provided. It is further agreed that WEC utility indicated above is receiving no consideration for honoring this request and that any release of information by it pursuant hereto is done solely as an accommodation to the customer furnishing such authorization. WEC utility indicated above shall not be liable to the customer for any failure to provide or furnish information to the marketer.

This agreement shall be effective on the date shown at the top of this page and shall continue until terminated in writing by either party in accordance with the current effective tariff.
